

Invitation

Dear LayTec customers and all interested in in-situ monitoring,
we cordially invite you to our

13th IN-SITU SEMINAR 2010

organized in conjunction with the 15th International Conference on
Metal Organic Vapor Phase Epitaxy (ICMOVPE XV)

on Monday, 24 May 2010

in Hyatt Regency, Lake Tahoe, Nevada, USA.

At the meeting users of LayTec in-situ sensors will come together to share their ideas and experience and to find out what is new at LayTec.

Our customers are welcome to make their contribution in form of a short talk!

For registration please fill out the attached registration form and send it back via fax or email.
Please pass this invitation to your colleagues.

The seminar will be held in the evening, after the conference sessions and will not overlap with other events or user meetings. The exact time and room will be announced later. If you cannot attend the meeting, feel free to ask us for a free CD with the presentations.

WE ARE LOOKING FORWARD TO MEETING YOU!
